Regarding Grievance No.: 4870-2021-NPODC-00268
Received: 02/15/2022

Location: 4870-ALEXANDER CI - MPODG004

Offender's grievance has been received and reviewed. On 12/23/21, A code 3 was called because inmate was screaming and being disruptive. Officer Warren responded to the code and reported to the inmate's cell. The Offender came out of his cell in an aggressive manner, forcing Officer Warren to use pepper spray on inmate. Inmate began swinging at Officer Warren, hitting him in the arm. Offender also tried to assault responding officer. Offender would not stop trying to assault the officers responding to this incident. The Officers had to use batons to get inmate to stop his assaultive behavior because the pepper spray did not seem to slow him down.

The Officers involved in this incident acted within policy and procedure in this instance. They accomplished their correctional objective by utilizing only the amount of force needed to subdue the inmate and stop his assaultive behaviors. No further action is recommended.

Grievance Examiner: Findings and Disposition Order

This examiner has reviewed this grievance related to the offender's disciplinary infraction and the response given by staff in the Step 1 and/or Step 2 response. My review of this grievance reveals no violation of applicable Prisons policy nor does it show any evidence of misconduct by staff related to the disciplinary infraction that the offender incurred. You have submitted no evidence to support your allegations. You were charged with an A12 substance possession; A03 assault staff; and B25 disobey order.

Lastly, because this grievance challenges aspects of a disciplinary infraction, it is outside the scope of the ARP and should have been rejected by the facility. See policy .0306(b)(3).

Therefore, this grievance is dismissed as outside the scope of the ARP.

ADMINISTRATIVE REMEDY PROCEDURE**

Inmate Name: Roderick Taylor Inmate #: 1038170

Location: Alexander CJ Date: 1-26-22

Grievance Statement: On December 23, 2021 while being housed at Mt View CJ, at around 6:45
am to 7:15 am, Ewing camera will show me handcuffed to a chair and being maliciously
assaulted by multiple officers. You will see one officer place my shirt over my head and punch
me in the face while another repeatedly strike with his baton on hands and
break my right one which led to me needing outside medical and later
needing surgery. All this was a violation of 8th Amendment it also all happen
on camera and while I was in full restraints

What remedy would resolve your grievance?: That I be compensated for the mental, emotional, and
physical injury I suffered, and that a full investigation be conducted to identify
these officers who displayed such conduct. I could not identify them because
my shirt was placed over my head and the other one was behind me
